

EUGC UPCOMING EVENTS

CORA CUP - WIMEREUX, FRANCE

The CORA Cup is an annual international competition for 24 teams of eight golfers which takes place in [Wimereux](#) typically over the first weekend in April. Each year the EUGC enters a team of eight golfers selected by the Captain comprising usually the members of the Club Committee, the winner(s) of the Asterix competition in first category, and/or the Club champions, and/or a Captain's pick. There is a practice round on the Friday followed by a strokeplay

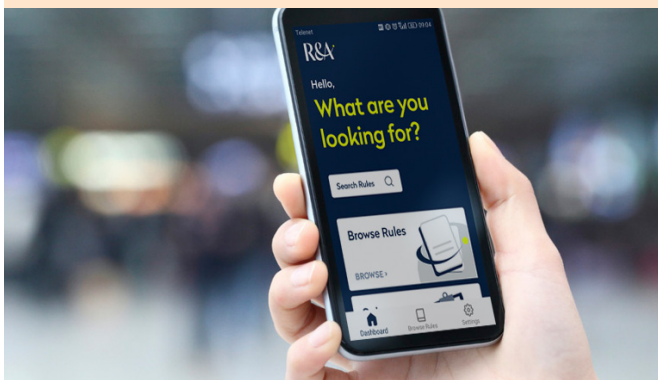

(stableford) competition on Saturday and a foursomes competition on Sunday. The prize giving takes place immediately after the foursomes competition. The maximum playing handicap allowed is 18.4. However, if a team member has an official handicap higher than this, he or she can still be selected but will play off the maximum handicap of 18.4. The Club covers the team's enrolment costs for the CORA Cup, whilst each invited participant covers their hotel, food and transportation costs
