Excused Peter BAADER, Victoria PAGADIGORRIA

1. Golfing programme 2023 (state-of-play)

- The committee decided that the secretariat of the host clubs should be contacted when the club imposes a handicap limit of 28 or higher (up to 36). Presumably, the host club wants to avoid total beginners, but not all high handicappers are beginners, and they would have an i-Golf history to prove it.
- The committee decided to create a single category in Limburg, if the number of registered players does not exceed 10 participants.
- The committee was informed that Geert van DRIESSCHE would be unable to play the Men's Cup. The captain will contact the runner-up.
- The committee decided that it would try to organize the European Region's Cup in September in Pierpont, because the golf trip was moved to October.
- At this stage, 7 players have registered for the trip to South-East England.

2. Membership situation

- Currently 129 players have paid their membership fee.
- The committee decided that, ideally, the i-Doc mail system should be used for communications with members (also see “miscellaneous”).

3. AFGOLF

- The EUGC has organised all qualifying events for the AFGOLF and FRBG competitions and notified the organisers.

4. FRBG Gold Cards

- The committee decided to send a letter to the FRBG President asking that the Federation puts an end to discriminatory measures (gold cards).

5. Miscellaneous

- The committee decided that the President would enquire, if the EUGC could take out an i-Golf subscription which allowed the committee to annex a document to the *i-Doc mail* and at what price.
