

EUGC ASTERISK - 2022

Each year the Committee designates a number of non-sponsored friendly meetings which are identified by an asterisk (*) in the calendar.

This event runs from April to October and there are three playing categories: 0 - 16.4; 16.5 - 24.4; and 24.5 - 36

During the first half of 2022, only those events counted for the asterisk competitions where at least 15 players were registered in I-Golf. As of July, this restriction was dropped (committee decision of 28 June) given the low participation level in general.

At the end of the season, prizes are awarded in each category based on the **best five scores**, irrespective of the category in which they are played.

A player's final ranking will be in the category in which they played the majority of their five best rounds. In the event of a tie in points, the lower handicap prevails. If by chance there is also a tie in handicap, the highest number of asterisk (*) tournaments played during the year prevails.

If by chance, the tie persists, a draw will determine the ranking.

The final classification is established the day after the last friendly meeting with the points and handicap of that day.
