### PRIX DU CLUB

To close the season, the Prix du Club will take place in Pierpont on Sunday 21 October.

The format is 4BBB and you can sign up with a partner if you wish.

A prize giving ceremony will follow at which the winners of the 2018 Asterix competition will also receive their prizes.

## EUGC AND YOU

### ROLE OF THE MARKER

If you are serving as a marker for another golfer, you should:

- Observe, as best you can, each stroke the golfer plays;
- Count those strokes, plus any penalty strokes that may be necessary to add;
- Double-check the score with the golfer after each hole (this is not required, but is strongly recommended) and write it down;
- Total and sign the scorecard at the end of the round;
- Turn the scorecard over to the golfer.

Making sure the scores on the card are correct is the obligation of the golfer, who should check and sign his or her scorecard after the marker has done so. The marker is not subject to penalty if there are any good-faith mistakes on the scorecard.

However, if the marker knowingly writes down an incorrect score, or knowingly attests (by signing the card) to an incorrect score, the marker (if it's a fellow-competitor) will also be disqualified.

If the marker and the player disagree about a hole score, the marker can decline to sign the scorecard. In that case, the Committee would have to speak to both the marker and golfer and make a ruling.

### DID YOU KNOW

#### New golf rules

As from January 1st 2019, some new golf rules will enter into force. Check out the dedicated [article on our website](#) to familiarize yourself with these new adaptations to simplify the game and make it more accessible for all.

#### Slow play

Always carry a spare ball in your pocket - A player should always play and/or start searching for his own ball before helping others ...

These, and many more [recommendations](#) are published on our website.

Registration in [I-Golf](#) for Damme opens on 9 August and for Ostend on 10 August.

## EUGC PHOTO GALLERY

Have you already checked out our [online photo gallery](#)? Action and prize giving pictures of competitions are published regularly. Check out the photos from the “Regions’ Cup”, the “Challenge de la Francophonie”, or the weekend at Le Touquet.

## 09/09/2018: OSTEND CHALLENGE

In this annual event, EUGC takes on Ostend in a 4BBB competition, with two members from each club making up a 4-ball.

The [Royal Ostend Golf Club](#) was founded in 1903 and stretches out in the dunes in the middle of the Belgian coastline.

As the only links in Belgium, it provides a challenging and technical golf course, as well as outstanding views over the sea and the dunes.

Players are asked to wear their Club outfit on the course.

For those members staying at the coast for the weekend and also intending to play Damme the day before, the Committee will book a table for dinner on 8 September. All welcome!

Further details to follow.

## MEET OUR MEMBERS

Get to know our new members. New EUGC players have the chance to share their impressions of our club. Introducing from Austria: Peter Chloupek.

**Name:** Peter Chloupek

**Nationality:** Born in Austria, but living for 23 years in Brussels, makes me a 100% European

**Current Handicap:** 34.6

**Which courses have you already played with the EUGC ?**

Royal Golf Hainaut, The National, Le Touquet, Pierpont.

**What was your impression and which has been your favourite course so far ?**

They all have been great, The National has great potential but still lacks a bit of maturity but in the end for the nicest one has been Hainaut, the design is beautiful and a good challenge.

**What's your goal (Hcp) for this season ?**

I wanted to play more competitions but since it's not always possible to find the time, I focus this year below 30.

**What was your favourite moment, playing with the EUGC ?**

Actually, the first tee off at Le Touquet, my first ever golf experience with the EUGC.

**What's your motto on the course ?**

As a sports person (when I was still playing badminton and tennis) I have always been very competitive but with Golf I have learned to be more humble, so my motto is clearly: “Play the course not your opponent”.
