**Draft minutes  
of the EUGC committee meeting  
on 2 September 2020, 12h30, Il Ramo Verdee**

\*\*\*\*\*

In attendance: Helen COLLINS, Christian EHLERS, Chantal JACQUES, Emilio RODRIGUEZ, Filip VERCRUYSSÉ

Apologies: Jeroen VERHAAF

1. Membership situation

At the time of the meeting the EUGC had 173 members.

2. Golfing programme

- The committee did not support the proposal to “cap” playing results. However, the committee decided that new members must play a few holes either with the captain of the club or with a professional to establish their handicap.
- In Koksijde, Stephen Knowles (BESC) will offer two bottles of champagne for the nearest to the pin on hole n° 15.
- The committee decided that the EUGC would not host a competition among “clubs without a course” in 2020. As the EUGC had to reorganise its playing schedule due to the pandemic, there are no more free slots available before the end of the season. The President will propose to the other clubs that the EUGC will organise an event in 2021.
- The challenge La Tournette/EUGC will be moved to 8 November, due to an administrative error by the secretariat of La Tournette.

- 
- The trip to the Netherlands is fully booked. The prize giving will be held on Sunday. The winners are the three players with the best Stableford results over two days. Participants will receive an email from the Captain with more details.
  - The traditional competition "McGowan Together Magazine" will take place on 26 September. The EUGC was neither informed nor consulted about the new date. The committee decided nevertheless to add the event to the playing calendar in order to offer members the chance to play in a sponsored competition. The Vice-President will represent the club at the prize table.
  - The Captain will order gift boxes (engraved glasses & a bottle of champagne) for the "Michel-Berryer-Memorial as first prizes in the three categories.
  - The end of season tournament ("Prix du Club") will be sponsored by Steven Knowles and EPSON. The EUGC will offer three green fees for the sponsors. The competition will be played as a Texas-scramble with teams composed of three players from at least two categories. The teams will have to use at least 5 tee-shots per team member. The teams will be established by a draw. The members of the committees will complete teams if necessary.
  - The competition in Hainaut will be sponsored by the EUGC, as it will be played after the end-of-season tournament. The Treasurer will buy the prizes.
  - The CORA Cup competition 2020 in Wimereux has been cancelled due to the propagation of the Corona virus.
  - The Winter Cups 2020/2021 will be played in Pierpont. No dates are available at this stage.
  - With regard to the programme for 2021, the committee suggested to also take into consideration the following courses: Bossenstein, Royal Bercuit, Château de la Bawette, Enghien, Oudenaarde, Royal Ravenstein, Sart-Tilman.

The Captain suggested that the members should elect every year the course, which the EUGC played, they liked best. The result of the vote will be published on our website.

### 4. Rhythm of play (annex 1)

At this stage, no punitive actions will be imposed. However, the committee decided that the time used to complete the round should continue to be marked on the card. In addition, the time it took flights to play 18 holes will be published on the EUGC website. As an additional option, the committee considered a marshalling system.
