1. Golfing programme 2022 (state-of-play)

- The Committee decided to offer vouchers from the Golf Centre in Wavre to the winners of the Winter Cup (€ 100, € 75, € 50).
- The Committee decided to go back to Le Touquet in 2023.
- In Wimereux the EUGC team could play but not compete due to two last minute cancellations caused by Corona infections.
- The committee decided to offer to low handicappers the opportunity to play the Ravenstein course on 15 June, although Ravenstein set the green fee at € 140. The President considered this green fee to be excessively high for a mid-week event.
- The Committee was in favour to go to Vittel in autumn if the conditions were favourable.

## 2. Membership situation

When the Committee met the club had 128 members.

## 3. Marshal and Slow play

- Emilio RODRIGUEZ and the President have participated in an AFGOLF training for “Marshals”; the PPT charts were distributed in a separate document.
- The responsibilities of a Marshal are defined by the “Sports Committee”. The committee believed the EUBC does not need to create an extra administrative body; the EUGC Committee could also meet as “Sports Committee”.
- The Committee asked Peter BAADER to develop the framework for an EUGC Marshal. The text could be approved at the next meeting. In addition, a marshal should be equipped with a “time-par” sheet. The President would enquire how such a list could be drawn up.
- The Vice-President would make available the text on “Slow play. . . and how to avoid it” to the EUGC members.
- Score cards should always show that it is compulsory to record the finishing time after a round of golf.
