4. EUGC Quiz (Peter BAADER)

Peter BAADER developed a set of 10 questions to test the rules' knowledge of the EUGC members. The committee approved the questions. Peter BAADER and the captain suggested that the questions should be published on the KAHOOT website; they will prepare the publication indicating by when and to whom members should reply.

5. WHS and the EUGC handicap categories

The committee decided not to modify the EUGC playing handicaps at this stage and to grant the WHS a run-in period. The committee may come back to the issue in 2022.

6. AFGOLF TV

The President enquired how the EUGC could contribute to AFGOLF's « TV initiative ». He received the following reply:

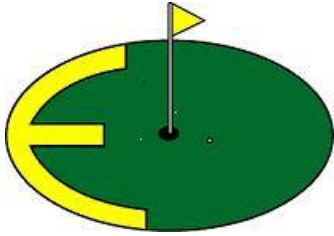

« Un des objectifs principaux de l'AFGolf TV est de mettre en avant les infrastructures des différents clubs pour y attirer des golfeurs et non-golfeurs. Le programme 2021 a dès lors déjà été élaboré dans ce sens.

Nous allons réfléchir pour 2022 à comment nous pourrions intégrer le CGUE dans l'AFGolf TV. Si tu as des propositions, n'hésite pas à nous en faire part. »

The committee was of the opinion that a cooperation between the EUGC and the Pierpont Golf Club could be envisaged.

7. Promotional material

- The captain will investigate the question what kind of golf balls could be ordered for the club and from which manufacturer.

#### 8. Miscellaneous

➤ Astérisque rules:

Members will recall that 15 participants are needed to play a valid Astérisque competition. However, recently the question arose how "15 participants" should be interpreted. By a majority vote the committee decided that the crucial element should be the number of players registered in i-Golf for the competition in question, rather than the number of returned scorecards.

Members have been informed about this decision by i-Golf mail on 15 June.
