### Winter Cup 2022-2023

Each winter, between November and March, the committee organizes a "Winter Cup" consisting of 5 tournaments played at Pierpont.

This event is played in 3 categories, 0 - 16.4; 16.5 - 24.4; and 24.5 - 36. At the end of March, prizes are awarded in each category based on the best three scores, irrespective of the category in which they are played.

A player's final ranking will be in the category in which they played the majority of their three best rounds.

In the event of a tie in points, the lower handicap prevails. If by chance there is also a tie in handicap, the highest number of tournaments played during the winter prevails.

If by chance, the tie persists, a draw will determine the ranking.

The final classification is established the day after the last friendly meeting with the points and handicap of that day.
